

Vegetable Curry (Sabzi) (Variation 3)

Tags: vegetarian, vegan, indian, gluten-free, dinner | Prep: 20 min | Cook: 35 min | Serves: 10

Ingredients

- 7.5 tbsp vegetable oil
- 2.5 large onion, thinly sliced
- 10 garlic cloves, minced
- 5 tsp fresh ginger, grated
- 5 tsp ground cumin
- 3.8 tsp ground coriander
- 2.5 tsp turmeric
- 2.5 tsp garam masala
- 2.5/2 tsp chilli powder
- 5 medium potatoes, cubed
- 2.5 cup cauliflower florets
- 2.5 can (400 g) diced tomatoes
- 2.5 cup frozen peas
- 1000 ml coconut milk
- Salt to taste
- fresh green onion tops, naan, and rice to serve

Method

1. Heat oil over medium heat. Cook onion for 10 minutes until deeply golden.
2. Add garlic and ginger; cook 2 minutes.
3. Add all dry spices and cook 1 minute, stirring, until fragrant.
4. Add potatoes and cauliflower; stir to coat in spices.
5. Add diced tomatoes and coconut milk. Season with salt. Stir well.
6. Bring to a boil, then reduce heat and simmer covered for 20 minutes until potatoes are tender.
7. Stir in peas and cook a further 5 minutes.
8. Taste and adjust seasoning and spice level.
9. Serve with steamed rice or naan and fresh cilantro.

Chef Tips

- Allowing onions to deeply brown builds the flavour base — light golden is not enough.
- Cut potatoes and cauliflower into similar sizes for even cooking.
- Add a can of chickpeas for extra protein and texture.
